Apologies: Rosie Thompson

The summer Fayre was a great success. Thank you to all those who got involved and supported the day. We have had amazing feedback from parents, teachers and most importantly our children!

DY will order a stock amount of Thank you cards and will write to all those who donated to our Summer Fayre including people who offered their services such as the face painter / Stilt Walker / cooks etc

Photos from the fun day are currently being approved and will soon be on the school webpage.

A lot of interest has been shown regarding the HHSA group from new parents, so HW has drafted a letter for Olivia to approve and send to new and present parents inviting them to our group and requesting their support.

The new HHSA policy and group ethos has been approved and launched today. An application form to request funding with a cap of £200 has also been finalised and will be available from next week. Olivia will share this to all school staff.

JW suggested a great idea of hiring a reindeer over the Christmas period and will look into the costs etc.

Mrs Tovey has put an idea forward of re using pre worn school uniforms and may be selling these at our next event. We could send out a letter for parents asking for any unwanted items and maybe a stall could be set up at the Christmas Fayre.

Mrs Tovey has requested some hand held educational items (made or purchased) JW and CW has kindly made some items for the class and will await feedback from Mrs Tovey regarding suitability.

Future dates for events and meetings have been agreed and approved. The dates will be included

within these minutes and put onto to school website ASAP.

LR will kindly put together a poster for our Halloween event.
