

Annex 1

COVID-19 school closure arrangements for Safeguarding and Child Protection at Halesbury School

School: Halesbury School
Policy owner: Halesbury School
Date: 28/4/2020
Date shared with staff: 28/4/2020

1. Context

From 20th March 2020 parents were asked to keep their children at home, wherever possible, and for schools to remain open only for those children of workers critical to the COVID-19 response - who absolutely need to attend.

Schools and all childcare providers are asked to provide care for a limited number of children - children who are vulnerable, and children whose parents are critical to the COVID-19 response and cannot be safely cared for at home.

This addendum of the Halesbury Safeguarding, and Child Protection policy contains details of our individual safeguarding arrangements in the following areas:

1. Context.....	2
3. Vulnerable children.....	3
4. Attendance monitoring.....	4
5. Designated Safeguarding Lead	5
6. Reporting a concern.....	5
7. Safeguarding Training and induction	6
8. Safer recruitment/volunteers and movement of staff.....	7
9. Online safety in schools and colleges.....	7
10. Children and online safety away from school and college.....	8
11. Supporting children not in school	8
12. Supporting children in school	9
13. Peer on Peer Abuse.....	10
14. Support from the Multi-Academy Trust	10

Role	Name	Contact number	Email
Designated Safeguarding Lead	John Kulyk	01384 818737	jkulyk@halesbury.dudley.sch.uk
Deputy Designated Safeguarding Lead	Amanda Payne	01384 818735	apayne@halesbury.dudley.sch.uk
Headteacher			
Trust Safeguarding Manager			
Chair of Governors	Pam Stephenson	01384375753	
Safeguarding Trustee			

Vulnerable children

Vulnerable children include those who have a social worker and those children and young people up to the age of 25 with education, health and care (EHC) plans.

Those who have a social worker include children who have a Child Protection Plan and those who are looked after by the Local Authority. A child may be deemed vulnerable if they have been assessed as being in need or otherwise meet the definition in section 17 of the Children Act 1989.

Those with an EHC plan will be risk-assessed in consultation with the Local Authority and parents, to decide whether they need to continue to offer a school or college place in order to meet their needs, or whether they can safely have their needs met at home. This could include, if necessary, carers, therapists or clinicians visiting the home to provide any essential services. Many children and young people with EHC plans can safely remain at home.

Eligibility for free school meals in and of itself should not be the determining factor in assessing vulnerability.

Senior leaders, especially the Designated Safeguarding Lead (and deputy) know who our most vulnerable children are. They have the flexibility to offer a place to those on the edge of receiving children's social care support.

Halesbury will continue to work with and support children's social workers to help protect vulnerable children. This includes working with and supporting children's social workers and the Local Authority Virtual School Head (VSH) for looked-after and previously looked-after children. The lead person for this will be John Kulyk

There is an expectation that vulnerable children who have a social worker will attend an education setting, so long as they do not have underlying health conditions that put them at risk. In circumstances where a parent does not want to bring their child to an education setting, and their child is considered vulnerable, the social worker and Halesbury will explore the reasons for this directly with the parent.

Where parents are concerned about the risk of the child contracting COVID19, Halesbury or the social worker will talk through these anxieties with the parent/carer following the advice set out by Public Health England.

Halesbury will encourage our vulnerable children and young people to attend a school, including remotely if needed.

Attendance monitoring

Local authorities and education settings do not need to complete their usual day-to-day attendance processes to follow up on non-attendance.

Halesbury and social workers will agree with parents/carers whether children in need should be attending school – Halesbury will then follow up on any pupil that they were expecting to attend, who does not. Halesbury will also follow up with any parent or carer who has arranged care for their child (ren) and the child (ren) subsequently do not attend.

HOW WILL THIS LOOK IN YOUR SCHOOL?

To support the above, Halesbury will, when communicating with parents/carers and carers, confirm emergency contact numbers are correct and ask for any additional emergency contact numbers where they are available.

In all circumstances where a vulnerable child does not take up their place at school, or discontinues, Halesbury will notify their social worker.

Designated Safeguarding Lead

Halesbury School has a Designated Safeguarding Lead (DSL) and a Deputy DSL.

The Designated Safeguarding Lead is John Kulyk

The Deputy Designated Safeguarding Lead is Amanda Payne

The optimal scenario is to have a trained DSL (or deputy) available on site. Where this is not the case, a trained DSL (or deputy) will be available to contact via phone or online video - for example when working from home.

Where a trained DSL (or deputy) is not on site, in addition to the above, a senior leader will assume responsibility for co-ordinating safeguarding on site.

This might include updating and managing access to child protection online management system, School safeguarding systems / CPOMS and liaising with the offsite DSL (or deputy) and as required liaising with children's social workers where they require access to children in need and/or to carry out statutory assessments at the school or college.

It is important that all Halesbury staff and volunteers have access to a trained DSL (or deputy). On each day staff on site will be made aware of that person is and how to speak to them.

The DSL will continue to engage with social workers, and attend all multi-agency meetings, which can be remotely.

Reporting a concern

Where staff have a concern about a child, they should continue to follow the process outlined in the school Safeguarding Policy; this includes making a report via Schools safeguarding systems / CPOMS, which can be remotely.

In the unlikely event that a member of staff cannot access their School safeguarding systems / CPOMS from home, they should email the Designated Safeguarding Lead, Headteacher, etc. This will ensure that the concern is received.

Staff are reminded of the need to report any concern immediately.

If there is a significant safeguarding concern and/or if any child, where staying at home for a prolonged period raises a concern for DSL, refer to MASH/Children's Social Services outlining the risks on a MARF and record safeguarding details on Halesbury safeguarding systems/CPOMS.

MASH contact: - 0300 555 0050 or 0300 555 8574 after 5pm/weekends and Bank Holidays. Email: MASH_Referrals@dudley.gov.uk

Where staff are concerned about an adult working with children in the school, they should report the concern to the headteacher. If there is a requirement to make a notification to the headteacher whilst away from school, this should be verbally, and then followed up with an email to the headteacher. Managing allegations process should be followed in the usual way. Contact LADO, Yvonne Nelson-Brown Allegations@dudley.gov.uk

Concerns around the Headteacher should be directed to the Chair of Governors: Mrs Pam Stephenson.

Safeguarding Training and induction

DSL training is very unlikely to take place whilst there remains a threat of the COVID 19 virus.

For the period COVID-19 measures are in place, a DSL (or deputy) who has been trained will continue to be classed as a trained DSL (or deputy) even if they miss their refresher training.

All existing school staff have had safeguarding training and have read part 1 of Keeping Children Safe in Education (2019). The DSL should communicate with staff any new local arrangements, so they know what to do if they are worried about a child.

Where new staff are recruited, or new volunteers enter Halesbury, they will continue to be provided with a safeguarding induction.

If staff are deployed from another education or children's workforce setting to our school, we will take into account the DfE supplementary guidance on safeguarding children during the COVID-19 pandemic and will accept portability as long as the current employer confirms in writing that:-

- the individual has been subject to an enhanced DBS and children's barred list check
- there are no known concerns about the individual's suitability to work with children
- there is no ongoing disciplinary investigation relating to that individual

Upon arrival, they will be given a copy of the receiving setting's child protection policy, confirmation of local processes and confirmation of DSL arrangements.

Safer recruitment/volunteers and movement of staff

It remains essential that people who are unsuitable are not allowed to enter the children's workforce or gain access to children. When recruiting new staff, Halesbury will continue to follow the relevant safer recruitment processes for their setting, including, as appropriate, relevant sections in part 3 of Keeping Children Safe in Education (2019) (KCSIE).

In response to COVID-19, the Disclosure and Barring Service (DBS) has made changes to its guidance on standard and enhanced DBS ID checking to minimise the need for face-to-face contact.

Where Halesbury are utilising volunteers, we will continue to follow the checking and risk assessment process as set out in paragraphs 167 to 172 of KCSIE. Under no circumstances will a volunteer who has not been checked be left unsupervised or allowed to work in regulated activity.

Halesbury will continue to follow the legal duty to refer to the DBS anyone who has harmed or poses a risk of harm to a child or vulnerable adult. Full details can be found at paragraph 163 of KCSIE.

Halesbury will continue to consider and make referrals to the Teaching Regulation Agency (TRA) as per paragraph 166 of KCSIE and the TRA's 'Teacher misconduct advice for making a referral.

During the COVID-19 period all referrals should be made by emailing Misconduct.Teacher@education.gov.uk

Whilst acknowledging the challenge of the current National emergency, it is essential from a safeguarding perspective that any school is aware, on any given day, which staff/volunteers will be in the school or college, and that appropriate checks have been carried out, especially for anyone engaging in regulated activity. As such, Halesbury will continue to keep the single central record (SCR) up to date as outlined in paragraphs 148 to 156 in KCSIE.

Online safety in schools and colleges

Halesbury will continue to provide a safe environment, including online. This includes the use of an online filtering system.

Where students are using computers in school, appropriate supervision will be in place.

Children and online safety away from school and college

It is important that all staff who interact with children, including online, continue to look out for signs a child may be at risk. Any such concerns should be dealt with as per the Child Protection Policy and where appropriate referrals should still be made to children's social care and as required, the police.

Online teaching should follow the same principles as set out in the Halesbury code of conduct.

Halesbury will ensure any use of online learning tools and systems is in line with privacy and data protection/GDPR requirements.

Virtual/Online Lessons

Below are some things to consider when delivering virtual lessons, especially where webcams are involved:

- No 1:1s, groups only
- Staff and children must wear suitable clothing, as should anyone else in the household.
- Any computers used should be in appropriate areas, for example, not in bedrooms; and the background should be blurred.
- The live class should be recorded so that if any issues were to arise, the video can be reviewed.
- Live classes should be kept to a reasonable length of time, or the streaming may prevent the family 'getting on' with their day.
- Language must be professional and appropriate, including any family members in the background.
- Staff must only use platforms provided by Stowe Valley MAT to communicate with pupils
- Staff should record, the length, time, date and attendance of any sessions held.

Supporting children not in school

Halesbury is committed to ensuring the safety and wellbeing of all its Children and Young people.

Where the DSL has identified a child to be on the edge of social care support, or who would normally receive pastoral-type support in school, they should ensure that a robust communication plan is in place for that child or young person.

Details of this plan must be recorded on School safeguarding systems / CPOMS, as should a record of contact have made.

The communication plans can include; remote contact, phone contact, doorstep visits. Other individualised contact methods should be considered and recorded.

Halesbury and its DSL will work closely with all stakeholders to maximise the effectiveness of any communication plan.

This plan must be reviewed regularly (at least once a fortnight) and where concerns arise, the DSL will consider any referrals as appropriate.

The school will share safeguarding messages on its website and social media pages.

Halesbury recognises that school is a protective factor for children and young people, and the current circumstances can affect the mental health of pupils and their parents/carers. Teachers at Halesbury need to be aware of this in setting expectations of pupils' work where they are at home.

Halesbury will ensure that where we care for children of critical workers and vulnerable children on site, we ensure appropriate support is in place for them. This will be bespoke to each child and recorded on Schools safeguarding systems / CPOMS.

Supporting children in school

Halesbury is committed to ensuring the safety and wellbeing of all its students.

Halesbury will continue to be a safe space for all children to attend and flourish. The Headteacher will ensure that appropriate staff are on site and staff to pupil ratio numbers are appropriate, to maximise safety.

Halesbury will refer to the Government guidance for education and childcare settings on how to implement social distancing and continue to follow the advice from Public Health England on handwashing and other measures to limit the risk of spread of COVID19.

Halesbury will ensure that where we care for children of critical workers and vulnerable children on site, we ensure appropriate support is in place for them. This will be bespoke to each child and recorded on Schools safeguarding systems / CPOMS.

Where Halesbury has concerns about the impact of staff absence – such as our Designated Safeguarding Lead or first aiders – will discuss them immediately with the trust.

Peer on Peer Abuse

Halesbury recognises that during the closure a revised process may be required for managing any report of such abuse and supporting victims.

Where a school receives a report of peer on peer abuse, they will follow the principles as set out in part 5 of KCSIE and of those outlined within of the Child Protection Policy.

The school will listen and work with the young person, parents/carers and any multiagency partner required to ensure the safety and security of that young person.

Concerns and actions must be recorded on Schools safeguarding systems / CPOMS and appropriate referrals made.

Support from Local Authority

Please refer to daily updates from the Local Authority and continuous guidance from the DfE.
